Rescape™ & Rescape Lite™

three h

Rescape wall tiles fit onto a metal framework that rests on floor and is attached to studs in the wall.
Rescape Lite uses wall mounted brackets only and does not need to go to the floor.

398232

The structural integrity of full Rescape allows cabinetry to be attached to the framework without the need for legs or worksurface gables.

Rescape Lite uses a simple wall mounted bracket system to attach tiles to the wall.
