THE DIALOGUE SERIES

The Dialogue Series

Inspired by the classic design aesthetic of mid-century modernism, the Dialogue chair and ottoman provide an intuitive and purposeful solution for casual conference and lobby scenarios. Simple yet functional, the lounge chair features an integral task surface on the arm. Addressing today's need for a readily available work surface beyond the traditional table, Dialogue is ideal for transitional to progressive environments.

Dialogue lounge chair upholstered in Heartfelt 828-45 Pumpkin from HBF Textiles, shown with the HBF Oval Egg coffee table in Alabaster White solid surface material.

The Dialogue integrated arm work surface is purposeful, not an add-on, allowing a range of motion without forcing the user to move task work. While task oriented, Dialogue is equally suitable for casual lounge scenarios.
