WORK IN MOTION

SWITCHBACK[™]
HEIGHT-ADJUSTABLE TABLE

Find your fit

Stand or sit. Achieving the perfect position maximizes ergonomics and minimizes fatigue or injury. With the press of a button, you can make our Switchback height-adjustable table elevate the way you work while ensuring it matches your unique needs.

C-leg

T-leg (2-Leg Only)

Endlessly (and easily) versatile

You can configure your height-adjustable table with a variety of leg options and an extensive portfolio of top shapes and workstation add-ons, including Mobio monitor arms and EON power modules. All that and quick installation make Switchback a leading solution in simplicity and endless versatility.

Stay on top

The adaptability of Switchback goes beyond table height. An expanded 3-leg option and new top shapes and sizes mean more ways to build for open workstations, private offices and everything in-between.

Closer look

With a height range of 22.6" to 48.7" (including 1-1/8" top), anyone can find their ideal position.

Adapt to any office environment with 2-leg, 3-leg, T-leg or C-leg options.

Push-button controls with four user-customized positions.

Gyro anti-collision technology from a patented sensor stops (and retracts) the table when it makes contact with any object.

A variety of durable laminate options to fit your style.

The 2-leg table can support 250 lb and the 3-leg version can support 330 lb.

Three durable powder-coated metal finishes in silver, black or white.

Bases ship in 2 business days and shipping is free.*

*Bases with tops ship in 3 business days (quantity of 50 or fewer). Call us for timing on larger orders. Shipping is free except when ordering base and top quantities of three or fewer, which will incur a \$95 freight fee.
