

@Work.

These basic features will never let you down

Control options

Swivel tilt (T)

- A**
Pneumatic lift
easily adjusts to the perfect seat height
- B**
Tension control
for a firmer or softer recline
- C**
Tilt lock
locks your chair in an upright position for full tasking support

Knee tilt (K)

- A**
Pneumatic lift
easily adjusts to the perfect seat height
- B**
Tension control with knee tilt
for a firmer or softer recline—the knee tilt keeps feet flat on the floor when reclining
- C**
Tilt lock
locks your chair in an upright position for full tasking support

Posture back (P)

- A**
Pneumatic lift
easily adjusts to the perfect seat height
- B**
Adjustable back height
for custom lumbar support
- C**
Adjustable back angle
adjusts angle of back for personal fit

Intensive (I)

- A**
Pneumatic lift
easily adjusts to the perfect seat height
- B**
Adjustable back height
for custom lumbar support
- C**
Separate back and seat adjustment
positions the seat and back for a personal fit, providing good value for task-intensive environments
- D**
Back angle adjustment
positions the angle of the back independent of the seat

Multi-function (M)

- A**
Pneumatic lift
easily adjusts to the perfect seat height
- B**
Adjustable back height
for custom lumbar support
- C**
Adjustable back angle
adjusts angle of back for personal fit
- D**
Tension control
for a firmer or softer recline
- E**
Infinite tilt lock
chair can be locked in any position and free floats when unlocked
- F**
Forward tilt
adjusts to the best task position

Advanced synchro (A)

- A**
Pneumatic lift
easily adjusts to the perfect seat height
- B**
Adjustable back height
for custom lumbar support
- C**
Tension control
provides for a firmer or softer recline—multiple settings allow fingertip adjustment
- D**
Synchro tilt
opens the angle between the trunk and thighs to ensure correct posture and user comfort

Features

- Designed by Hector Coronado for SitOnIt, @Work is available in six models in a variety of sizes and adjustments to complement all users.
- Internal back rest height adjustment specifically targets lumbar area for support, and adjusts easily from a seated position.
- Waterfall seat front promotes better circulation when seated for long periods of time.
- Multi-layer seat cushion gives a more customized fit and features a top layer visco-elastic gel foam for all-day comfort.
- The optional tractor seat, available on the executive and task models, provides a larger seat area and is contoured for ultimate comfort.
- Fully upholstered seat and back offer enhanced aesthetics.
- Heavy Duty 24/7 options available.
- Lifetime warranty on structural components, five year warranty on foam and fabric.

Arm options

Armless

Go “armless” for complete flexibility and increased affordability.

Adjustable or multi-adjustable

Select an adjustable arm with seven adjustments up to 1.75". Select a multi-adjustable arm with height adjustability up to 1.75" and width adjustability up to 1.25". The arms are capped with a soft urethane pad for a comfortable, custom fit.

Loop

The look of a traditional loop design on a task or executive chair, offering a urethane coating for a soft, warm surface.

Adjustable or multi-adjustable w/pivot

The adjustable arm features height adjustability up to 2.5", while the multi-adjustable option combines height adjustability with width adjustment up to 2". Both are capped with a pivoting arm pad with three adjustments for ultimate keyboard support.
