✔ CUSTOMIZATION

Our revolutionary approach to design puts you in the driver's seat, allowing you to tailor each and every IDEON piece to your exacting needs. Start by selecting from one of our collections and from there, the sky is the limit. Choose different sizes, finishes, leg designs and arm styles, and explore a huge assortment of accessories to make your IDEON furnishings truly one-of-a-kind.

✔ ONLINE DESIGN TOOLS

Designing your custom IDEON furnishings is as easy as point-and-click. Use our simple online design tool to visualize different IDEON products, choose options, view finishes and upholstery, get pricing, and create client presentations.

✔ FINISHES & TEXTILES

As part of our commitment to true customization we offer a wide variety of finish and textile options, with over 1,000 standard fabric and leather selections from some of the world's most respected textile manufacturers. And we can easily work with customer owned materials.

✔ DESIGN & DELIVERY

Never before has sophisticated, custom furniture been so easy to order and quick to ship. Our elegant product collections have been developed by world-renowned designers. Our engineers have developed a streamlined manufacturing process that enables us to offer best-in-class lead times, shipping your order in as little as 10 days.

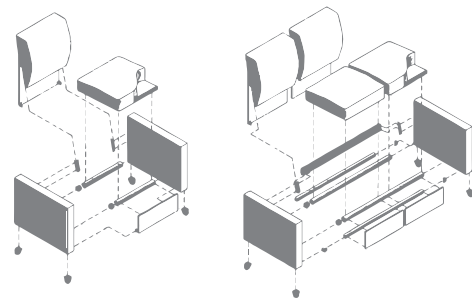

✔ SUSTAINABILITY

At IDEON, we are committed to building furniture in the most eco-friendly and responsible way, creating products that reduce our environmental footprint. We create our products with low VOC (volatile organic compounds) in mind, allowing us to achieve GREENGUARD Certification across our entire family of seating products.

✔ CONSTRUCTION

The unique IDEON steel rail system creates a robust, durable understructure that withstands even the toughest environments. Modular assembly of rails and components makes field replacement of components simple, extending product life. Arms are anchored by a high performance molded joint system providing lasting durability and stability.
