MODEL: Café stool
FRAME: 4-leg with glides/Black
PLASTIC: Black
TEXTILES: Knoll Night Life Paint the Town

ONCALL

Practical wire frame design makes OnCall® ideal for multipurpose use. The plastic model offers value while upholstered models ensure a more comfortable sit. Add a tablet arm or bookrack for a classroom. A half-circle back cutout serves as a handle to move the side chair, task chair or stool anywhere.

WORKING AT A HIGHER LEVEL

The adaptable OnCall stool is available in plastic, upholstered seat, or upholstered seat and back. Or turn the task chair into a task stool with a stool or extended stool kit.

CREATIVE OPTIONS

OnCall is a multipurpose side chair, task chair and stool collection with multi-ways to mix and match. Begin with all plastic, upholstered seat, or upholstered seat and back. Define a style with black or chrome frame. Mix in a tablet arm or bookrack. Finally, pick from 17 plastic colors or thousands of textiles.

OnCall is ready to go wherever you need it. Stack it 8 high (plastic model) on the floor or 25 high (plastic armless model) on the optional stacking cart for convenient, compact storage.

DURABILITY

Like all SitOnIt Seating products, OnCall is built to last. Every component meets and exceeds ANSI-BIFMA standards. Further protecting your investment is SitOnIt Seating's standard lifetime warranty, which helps ensure complete satisfaction for years to come.

GREENGUARD CERTIFICATION

All SitOnIt Seating products have been tested and certified by the GREENGUARD Environmental Institute and have met the rigorous criteria required by GREENGUARD Children & Schools in accordance with the Collaborative for High Performance Schools.

SUSTAINABILITY

You can rest assured that every product SitOnIt Seating makes is GREENGUARD and GREENGUARD Children & Schools certified, providing you with the confidence you need and the environmental stewardship you've come to expect.
