

Inspired  
by nature

Torsa®

SitOnIt • Seating®

Made in  
California.  
Designed  
by you.

## Who we are

---

With the fastest lead time in the industry, SitOnIt Seating® offers high-quality seating that combines award-winning design with intelligent ergonomics. From healthcare to higher education, we've been the go-to destination for built-to-order seating since 1996.

Born and bred in California, all of our key collections are designed in-house and rigorously tested for quality control, strength and durability. We make customization easy—our user-friendly ChairBuilder® tool lets you design your dream chair with just a few clicks. With chairs, sofas and stools for every desk, space and environment, the possibilities are endless.

Discover premium seating solutions—at a fraction of the price.

## Our build-to-order promise

---

Custom-designed chairs, no waiting. Our lean manufacturing operation means we can ship built-to-order chairs in just two days. That means we can build the chair you want—and deliver it when you want it—at a price no one else can match.

## Fastest shipping in the industry

---

Choose from two, five or 10-day shipping. We cut lead time, sync orders and avoid off-schedule shipments at a rate our competitors just can't match. From start to finish, we maximize efficiency in every single area—whether it's sourcing and logistics or assembly and production.

# Torsa

## Inspired by nature.

Easy on the eyes – and back. The iconic Y-frame back houses unmatched comfort and sturdy support, all in an agile and easily adjustable seating structure.

# for the office

Inspirational design and cable-driven control coupled with adjustable lumbar support and seat depth adjustment make Torsa a superb choice for a manager's office.

TEXTILES: Navy mesh (back), Momentum Avenue Pacific Diffuse (seat)

TEXTILES: Onyx Stripe mesh (back), Momentum Solace Ebony (seat)

for the  
open plan  
workspace

---

Three arm options accommodate varied tasks and user preferences.

TEXTILES: Desert stripe mesh (back), Maharam Runner Standard Bluff (seat)

## for the conference room

Excellent ergonomics come standard with adjustable lumbar support and seat depth adjustment, so whether you're in for a long meeting or a quick catch up, you'll be able to settle in comfortably and get to work.

TEXTILES: Navy mesh (back), CF Stinson Juxy Parallax (seat).

## for the collaboration space

Discover an all-around, dynamic seating solution. Thanks to cutting-edge design, a fully integrated lumbar support system, and intuitively-placed controls, Torsa is easily adaptable to fit any user.
