
Experience beyond

Vectra™

SitOnIt • Seating®

Say hello to the future

Meet our most advanced product yet. Vectra is next-gen intelligent design with smart features promising smarter solutions. It's a super-slim, precision-engineered package built to deliver robust on-demand comfort and the kind of cutting-edge innovation that redefines an entire category.

TEXTILE: SitOnIt Seating/IDEON Dynamic Cardinal (seat), Onyx Mesh (back)

Say goodbye to the ordinary

Because this is something totally new. Get the experience visionaries deserve with our state-of-the-art statement piece. This evolutionary fusion of high tech and high design provides the high performance difference-makers demand.

It's not from around here

Did the accents give it away? Design your Vectra to look like no other with inspired new ways to customize.

Feel excited to get to work – wherever and however that may be – with features so intuitive and easy to love you'll wonder if they're designed just for you (hint: they are).

Proprietary lumbar tension calibrator

Performance casters

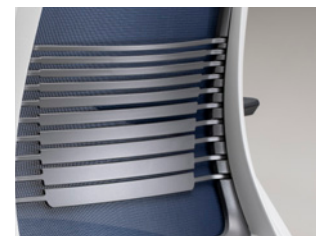

5-position tilt limiter

Advanced mechanism

Slimline arm rests

10-level lumbar support

Sheer joy

Experience design so sleek it could reshape your notion of lightweight, including slimline arm rests, almost-invisible micro mesh and an ultra-tapered frame that seems to vanish into thin air.

Space ready
